Bylaw Article XIV requires the following: (abridged)

1. **The schools coach of record is expected to judge at the state tournament.**
2. **Substitute judges for coaches or additional judges are allowed provided they are highly qualified and approved by your area chair.** Parent/community judges with limited experience do not meet this standard.
3. **No coach shall be exempt from judging finals except:** the tournament director, the CHSSA president, the four Area Chairpersons, and any other tournament official specifically released from judging by the tournament director. This means coaches not listed as school judges may still be required to judge finals.
4. **Use of first year or sophomore college students as judges is to be discouraged in preliminary rounds and is prohibited for Sunday rounds**
5. It is essential that your judge information is accurate. Judges that are found picking up ballots for another judge without prior approval will be treated like a missed round and fined accordingly. **A judge may only pick up ballots under their own name.**
6. Schools in the local area need to provide 1 judge for every 3 entries or part there of. Judges in the rest of the state need to provide 1 judge for every 5 entries or part there of.
7. Schools with more than two (2) Policy Debate entries shall be required to provide one judge for each additional policy debate entry. Judges covering policy debate entries will likely be asked to judge, at a minimum, the first four (4) rounds of policy debate and should have the experience necessary to be comfortable doing so.

Students will be required to hang out between events in a designated area and will be required to check in every 30 minutes in person.

Students will be assigned gender specific rooms and will not be allowed in any other rooms.

Students will be in their assigned rooms no later than midnight with cell phones turned off.

Bed checks will be done as needed with preventive measures being taken to reveal if students have left rooms after bed check.

Role as a judge:

1. Judges must report to judges room 20 minutes before the beginning of every round and check in.
2. You may not pick up any ballot for our school unless it has your name on it. Only these count toward our obligation.
3. Once ballots are pushed you may volunteer to pick up any ballot from any school. However these don't count toward our obligation.
5. You are obligated to be available for both speech and debate rounds, and are entered as all day judges.
4. Any missed round is a 150 dollar fine after three missed rounds we are assessed an additional 800 dollars. So be aware the team will not be able to pay these fines.
